Style. Convenience. Value. All the essential elements.

It's where the elements of life come together – your kitchen – a place to eat, talk, share, catch up and entertain friends and family. Ultimate Kitchen Two lets you do it all in style. From modern stainless steel appliances to an ultra-hip farmhouse sink to unique touches like accent lighting – even a convenient USB receptacle for charging your mobile devices – Ultimate Kitchen Two is designed around you.

■ **Large Stainless Steel Farmhouse Sink**

A classic fixture with modern style

■ **Gooseneck Kitchen Faucet**

A head-turning element with a high-arched spout for easy filling and a pull down sprayer

■ **Large Stainless Steel Pulls**

Sleek and convenient handles for your cabinets and drawers

The Ultimate Kitchen Two is available on select models. The actual kitchen layout will vary by floor plan. Décor items such as flooring, cabinet finishes, countertop materials and ceramic tile backsplash will vary by region.

Create. Eat. Share. Relax. Enjoy. It's a dream kitchen at a dream price.

Getting the stylish, modern kitchen you've always dreamed of has never been more affordable. Ultimate Kitchen Two is available in a wide range of floor plans exclusively at your local Champion retailer.
